

### NHS Eligibility

At BBR Optometry we believe that whatever your eligibility, you should have the most comprehensive examination we can offer. Our Optometrists recommend the extended examination for all so we can provide you with the most appropriate care and recommendations by spending an extended time with you. The NHS may not cover the cost of some procedures.

	Senior Optometrist	Optometrist
<b>NHS Extended Eye Examination</b> A comprehensive examination of a minimum of 40 minutes including the enhanced retinal scanning (OCT)/ imaging and dilation (often necessary), threshold fields and anterior eye imaging if appropriate.	<b>£102.00</b>	<b>£78.00</b>
