

RODENSTOCK GUARANTEES PEACE OF MIND.

All Rodenstock lenses are covered by a quality guarantee to provide you with total security.

2 year warranty against manufacturing defects - Should a lens or an anti-reflection coating prove to be genuinely faulty we will provide a direct replacement or the nearest equivalent at no charge.

90 days product assurance for progressive lenses - If for any reason you prove to be non-tolerant to the lenses we will issue your optician a voucher equivalent in value to the full nett price of the original lenses to be used for replacement lenses.

Interested? Call in for a no-obligation consultation. As specialists for Rodenstock's lenses, we offer you personalised, comprehensive, expert advice.

Stop by any time – we look forward to seeing you.

The best choice for visual comfort.
house-of-better-vision.com

IT'S UP TO YOU.

Rodenstock has used its know-how from past decades to refine and improve its progressive lenses. Each progressive lens is a result of this experience and made with state-of-the-art 3D freeform CNC technology. Choose your lens and benefit from improved vision.

Impression® 2

Visual zone of Impression® 2 lens

Rodenstock Perfection

Rediscover natural vision with this fully individualised progressive lens. It takes into account how your chosen frame fits your face, in addition to your prescription and other individual parameters. So, you have access to much wider and ideally arranged visual zones for all distances, perfectly responding to your needs. A unique lens specifically commissioned for you.

Multigressiv MyView® 2

Visual zone of Multigressiv MyView® 2 lens

Rodenstock Excellence

In addition to excellent distance vision, this tailored progressive lens will provide you with optimised near and intermediate vision, as these zones are calculated according to your individual inter pupillary distance. You will benefit from optimised vision, providing wide symmetrical visual fields with a natural feel.

Progressiv PureLife Free®

Visual zone of Progressiv PureLife Free® lens

Rodenstock Superior

This new generation progressive lens perfectly meets the needs of cost conscious wearers. These lenses are made with the latest state-of-the-art freeform technology. It will bring you comfortable and fatigue free near and long distance vision.

Rely on our professional know-how – always ahead in innovation and technology

Rodenstock lenses are well known in the market for their quality and reliability and as an innovation leader, we can help to improve your visual quality and comfort. Rodenstock is a specialist in individualised lenses having sold millions of individualised lenses since 2000.
